Agora Energiewende is a think tank of the Smart Energy for Europe Platform (SEFEP) gGmbH. SEFEP unites the three non-profit think tanks Agora Energiewende, Agora Industry and Agora Agriculture. Under the umbrella of the Agora Think Tanks the common goal is a climate-neutral future. To this end, the Agora Think Tanks develop scientifically sound and politically implementable solutions. In 2022, the funds of the SEFEP gGmbH totaled at roughly 19 million euros.
