<b>Total</b>		<b>14.400.504,35 €</b>	<b>11.591.232,89 €</b>

Agora Energiewende is part of the non-profit legal entity of the Agora Think Tanks gGmbH. Under the umbrella of the Agora Think Tanks, the three non-profit think tanks Agora Energiewende, Agora Industry and Agora Agriculture work towards the common goal of climate neutrality. To this end, the Agora Think Tanks develop scientifically sound and politically feasible solutions. In 2022, Agora received funds totalling almost 19 million euros and 2023 around 18,3 million euros.
