Agora Energiewende is part of the non-profit legal entity of the Agora Think Tanks gGmbH. Under the umbrella of the Agora Think Tanks, the three non-profit think tanks Agora Energiewende, Agora Industry and Agora Agriculture work towards the common goal of climate neutrality. To this end, the Agora Think Tanks develop scientifically sound and politically feasible solutions. In 2024, Agora received funds totaling around 27,2 million euros and 2025 around 22,8 million euros.

The figures presented here represent the funds received during the fiscal year. In addition, the annual financial statements are prepared in accordance with the German Commercial Code (HGB) based on the accounting standard IDW RS HFA 21.
